Description:

Combined Standard Solution 14.0 mS/cm 7.00 pH @ 25°C

Part Number:

02.0070

Lot No:

ML-P7C14-1400

Certification Date: Expiration Date:

August 15, 2017 January 26, 2019

Nominal	Measured	Tolerance	Measured	Reference	Reference System
Value	Value	@ 25°C	Value In	System	Uncertainty @ 25°C
(mS/cm)	(mS/cm)	(mS/cm)	Tolerance	Standard	(mS/cm)
14.0000	14.005	±0.03 mS	Yes	NIST SRM 999	

Nominal	Measured	Tolerance	Measured	Reference	Reference System
Value	Value	@ 25°C	Value In	System	Uncertainty @ 25°C
(pH Units)	(pH Units)	(pH Units)	Tolerance	Standards	(pH Units)
7.000	7.000	±0.03	Yes	NIST SRM 186 NIST SRM 191	±0.006

### **Test Methods**

- All analytical balances are calibrated by an ISO/IEC 17025:2005 accredited calibration laboratory.
  All balances are checked prior to use using an in-house procedure. Weights used for testing are traceable to NIST.
- All thermometers are NIST traceable through reference temperature probes that are calibrated by an ISO/IEC 17025:2005 accredited calibration laboratory.
- Conductivity measurements are taken at 25°C ± 0.25°C using SOP 900215-001 and are temperature compensated. Uncertainty is calculated using a 95% confidence interval using the Student's T Test for (n=30).
- pH measurements are taken at 25°C ± 0.25°C using EPA Method 150.1 and are temperature compensated. Uncertainty is calculated using an Expanded Uncertainty U=kuc (k=2.00).

#### Intended Use

This standard solution is indicated for calibrating conductivity meters and pH meters.

#### **Hazardous Information**

Please refer to the Material Safety Data Sheet available on our website for information on this material

## Stability and Storage

Protect from temperature extremes. Discard if solution has been frozen. Do not return used solution into the container. Keep cap tightly sealed when not in use. Discard 30 days after opening.

## **Conformance Statement**

Mesa Laboratories Inc certifies that the above referenced product was tested using the N.I.S.T. traceable standards listed above, and meets or exceeds all published specifications as printed on the product label. Our manufacturing laboratory is accredited to ISO/IEC 17025.
